Planning Priorities of the School

Priority Area #1 - To improve learning through focus on numeracy.

Initiatives: 1. Strong Connections provided time for benchmark math assessments 2. Numeracy continuum of essential learning outcomes 3. Numeracy Support teacher supported and supplemented student learning 4. Math Club provided a place for extra practise and tutoring 5. Canadian Math contest provided opportunity for enrichment 6. TTFM survey allowed student voice to speak to numeracy goals.

Priority Area #2- To improve learning through focus on literacy.

Initiatives: 1. Strong Connections provided time for reading interviews with classroom teachers; benchmark reading and writing assessments; and listening skills activities. 2. Literacy Lab provided levelled books for guided reading, classroom literature circles, cross-curricular support, and teacher resources. 3. "I Love to Read" month activities promoted literacy 4. Literacy Support teacher led Guided Reading groups 5. Manitoba Young Readers Choice Awards (MYRCA) reading program

Priority Area #3- To develop global citizenship skills through Education for Sustainable Futures (ESF).

Initiatives: 1. Promoted mentorship programs between our SY students and EY/MY students: SWAG, SWAT, Student Council, and grade 12 students who led at NES PAL Days. 2. Partnered in Social Responsibility and Philanthropy programs: Helping Hands Christmas Hamper fundraiser, WE Day, Terry Fox fundraiser, Provincial SWAT program, Out of the Blue bake sale fundraiser for the Imagine campaign, and Town Clean-up, plastic bag recycling program, Fair Trade Festival, Rafiki bracelets sales, and various Global Citizenship 40S Take-Action Projects
