STUDENT SERVICES

HSD Student Services provides support to students and their schools to assist with appropriate educational assessment, intervention, and programming. Committed to supporting students and schools in improving educational outcomes, the Student Services team includes the following professionals:

School Psychologists support students with learning disabilities, cognitive disabilities, social-emotional problems and/or adaptive behaviour challenges, by providing individual psychological assessments.

Speech Language Pathologists evaluate students with communication difficulties, including speech, language, literacy, hearing, non-verbal and oral-motor concerns.

Occupational Therapists provide assessments regarding movement quality, fine and gross motor skills, sensory processing, adaptive and self-care skills.

School Social Workers assist students by providing counselling during crisis situations and other issues such as grief, death, family issues, anxiety management, and other matters affecting school performance.

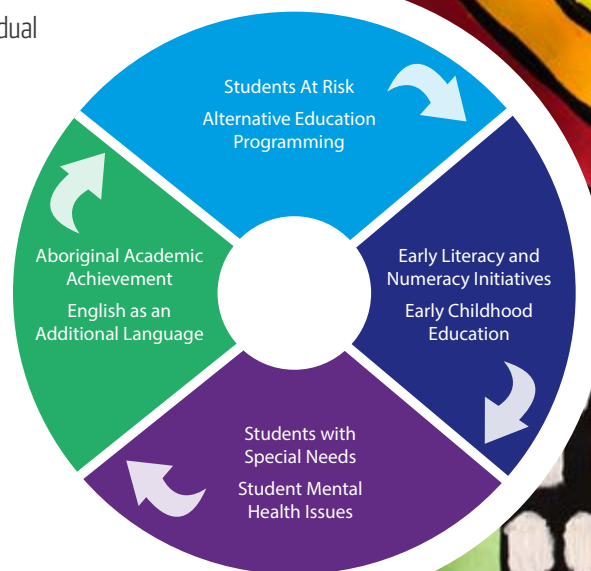

To access these services, a referral is required from your child's school. These referrals can be initiated by concerned teachers, principals, parents, or mature students, but are coordinated and prioritized at the school level by resource teachers and guidance counsellors.

EMERGENCY PREPAREDNESS

The safety, security, and well-being of our students/staff is a priority of the Hanover School Division. We take all possible precautions to help ensure that our schools are safe and secure. While we hope our schools are never faced with an emergency situation, we are prepared to respond to an incident if one should occur. Your cooperation is vital to helping us protect the safety and welfare of all children and school employees.

IN THE EVENT OF AN EMERGENCY

Do not call the school or your child's cellphone.

Calling your child's cell phone during an emergency may put them at higher risk (depending upon the type of emergency), by disclosing their location or drawing attention to them.

Calling the school will also tie up lines and systems required for communicating with emergency responders, and may inhibit our ability to send or receive critical information. HSD has the ability through our divisional call system to send an automated message to all parents/guardians. For this reason, it's also very important that your child's school has an accurate phone number on file to reach you.

Do not go to the school to pick-up your child, unless requested to do so.

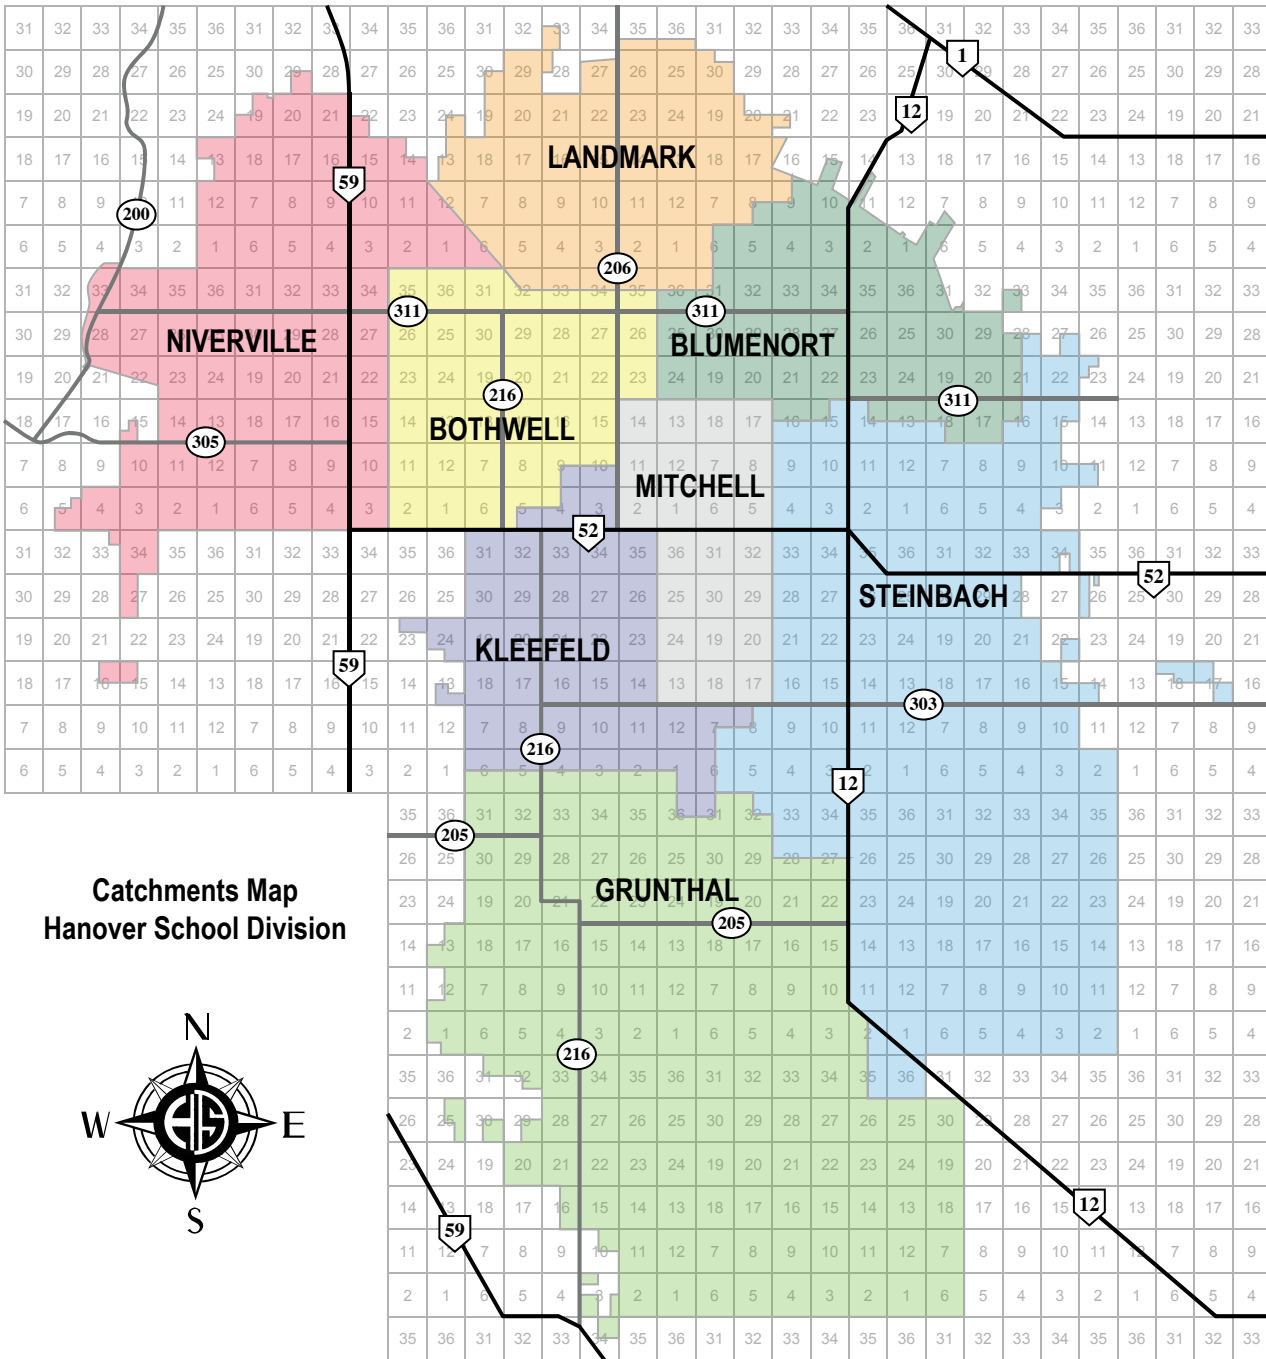

Although your natural instincts in an emergency may be to attend the school, please understand that doing so could impede emergency response services. Going to the school may interfere with emergency crews and school personnel's efforts to deal with the emergency. Extra vehicles and people at the site make the task more difficult.

Be sure to access official and reliable sources of information.

- Visit www.HSD.ca for updated notifications.
- Call the HSD Administration Office at 204-326-6471.
- Follow our official Twitter account @HanoverSD
- Tune into a local radio or television stations.

Be aware of standard emergency procedures in place for your child's school.

Visit www.HSD.ca to learn more about emergency procedures such as Hold and Secure, Lockdown, Evacuation, and Sheltering in Place.

ENROLLMENT CATCHMENTS

Hanover School Division maintains strict catchment areas in order to ensure a balanced enrollment across the division and the viability of all schools. School-age children living with a parent or legal guardian have the right to attend the designated school in the catchment area where their parent(s) or guardian(s) reside.

SRSS: The Steinbach Regional Secondary School is also considered the designated high school for Grade 9-12 students from New Bothwell, Blumenort, Kleeefeld and Mitchell.

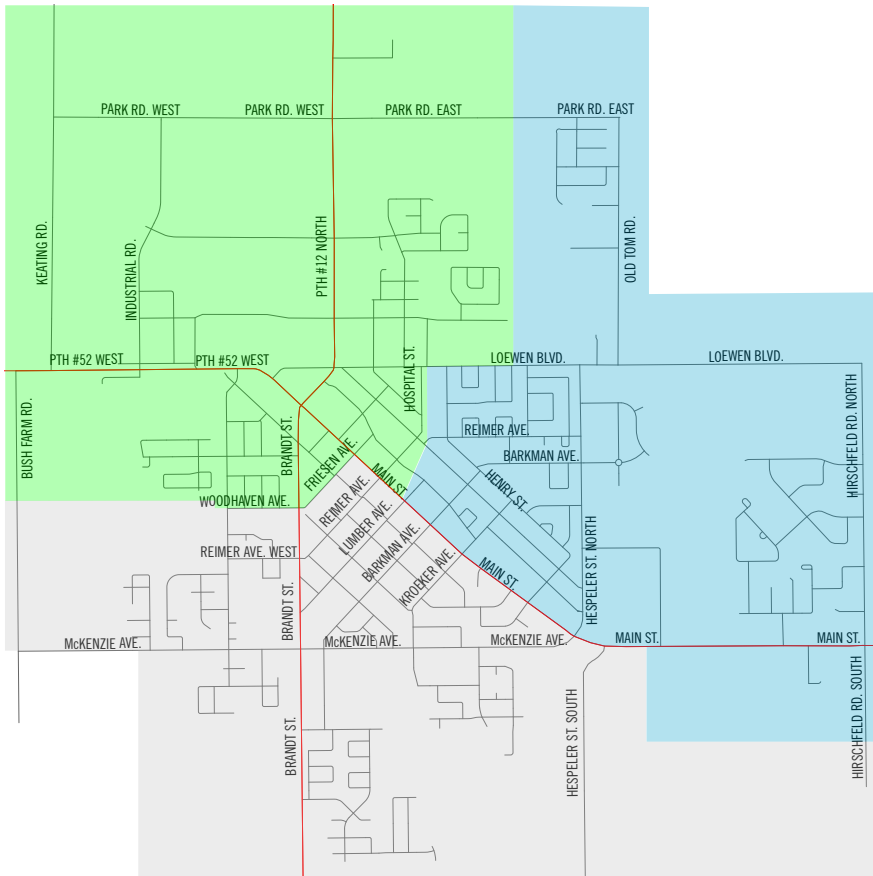

Grunthal, Niverville and Landmark students attend high school in their home communities, except for those students in vocational majors.

Rural Areas: Residents within rural areas, please contact the HSD Transportation Department at 204-320-2347 to confirm your catchment area.

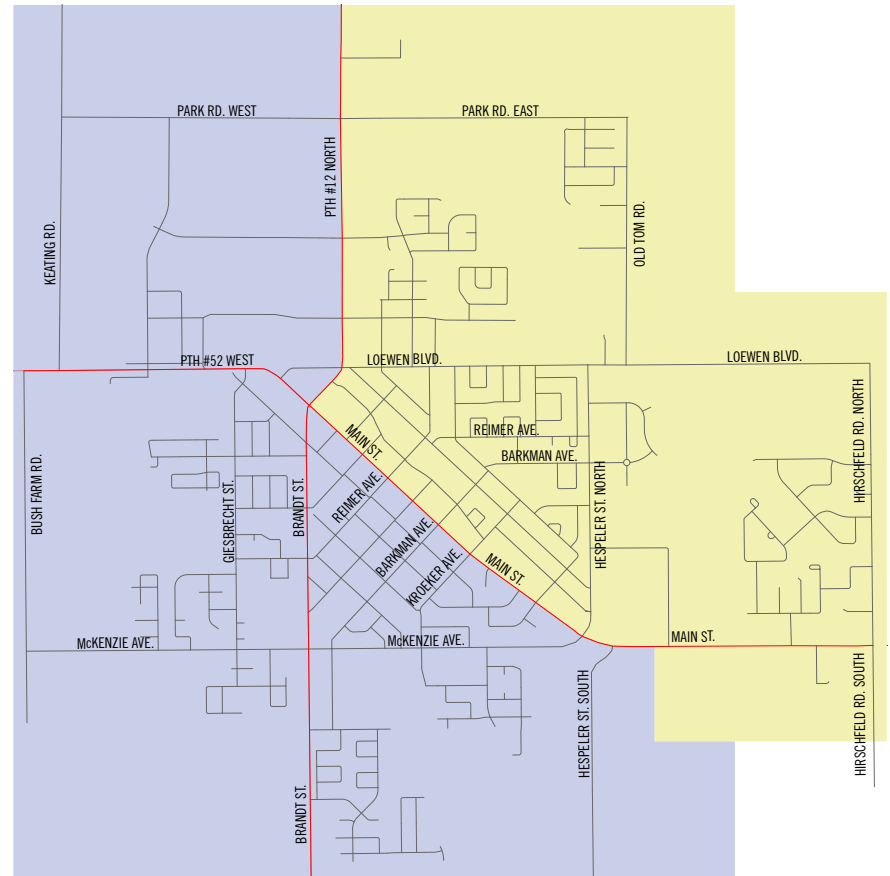

Residence Change: Families that move from one HSD catchment area to another during the course of a school year, may leave their children in their present school until the end of the school year. However, no transportation will be provided to their present school from outside that school's catchment area. The student will be required to switch to their new catchment area school at the beginning of the next school year.

Catchment areas subject to change. Please contact HSD Transportation Department to verify boundaries.

School Bus Evacuation Drills: Oct. 19, Apr. 20

WEATHER-RELATED SCHOOL CLOSURES

Extreme Hazardous Weather

Schools will close when weather and road conditions in Hanover School Division are such that it is not advisable to transport students via school buses. If weather worsens after the school day has started (creating unsafe driving conditions that necessitate cancelling bus service for the return trip home), students will remain in school until other arrangements can be made. Buses will not be sent out early.

Extreme Cold Weather

Schools will be closed for cold weather reasons when it's too cold for students to be exposed to the elements for even a short period of time.

Schools will close for cold weather reasons when the temperatures are:
-35 degrees Celsius or colder, WITH a windchill of -45 degrees Celsius or colder.
(Environment Canada - Kleefeld weather station, 6:00 a.m. data)

Consideration to close schools may also be given if either the temperature or the wind chill significantly surpasses these levels, or there are other extenuating circumstances as determined by the Superintendent and Director of Transportation.

Parent Choice

During extreme weather (when schools are required to be kept open according to policy), parents may use their discretion to keep children at home if they feel their children's safety may be compromised in any way. Parents choosing to keep children at home due to weather safety concerns, should inform the school as per regular absence procedures.

Parent Notification

In the case of school closures or the cancellation of bus service, parents will receive a phone message from the division's information call system. Notice will also be made between the hours of 6:00 a.m. - 8:00 a.m. on a variety of local and provincial media outlets (AM 1250, Mix 96.7, CJOB, SteinbachOnline.com, and TheCarillon.com), including the HSD Twitter account at @HanoverSD. Information on school closures, or bus delays/cancellations will also be posted at HSD.ca

Facility Rentals

When all schools in the division are closed due to extreme weather, evening rentals of our school facilities will also be cancelled. The only exception to this will be for a major event, which has been planned and advertised extensively for a long period of time prior to event date, and which cannot reasonably be cancelled on short notice, or rescheduled without major inconvenience/cost.
