5-5-5 SUMMER CAMP

5 DAYS 5 CAREERS 5TH GRADE

2016 Registration

Hanover School Division

5 Chrysler Gate

Steinbach, MB R5G 0E2

Tel: 204-380-3187

dsteiner@hsd.ca

Registration is from June 6 – June 22
Limited space available!

Hanover School Division is pleased to offer a five-day summer camp to interested 5th (soon to be 6th) graders.

The cost of the camp is \$50.

Students will have the unique opportunity to spend each day learning about a different occupation while participating in hands-on activities such as welding, baking, cooking, hairstyling and carpentry!

All students need to wear closed-toe shoes each day, if your child does not have the proper footwear, they will be sent home. Safety eyewear will be provided.

The camp is August 22-26, 2016 from 9am – 2pm at Steinbach Regional Secondary School and on the 26th at the Mennonite Heritage Village.

Schedule:

Monday, August 22: Career Choice #1

Tuesday, August 23: Career Choice #2

Wednesday, August 24: Career Choice #3

Thursday, August 25: Career Choice #4

***Friday, August 26:** Mennonite Heritage Village Museum Field Trip!

*Please drop off and pick up at the museum on this day. Students will be participating in hands-on activities while learning about jobs of the past.

I understand that injuries can arise by accident from the very nature of camp activities, and I hereby release and waive all rights to any claim or action against Hanover School Division, Steinbach Regional Secondary School and its teachers arising from injury, loss or damage to my child or to my child's property. I hereby authorize Hanover School Division to seek emergency medical assistance for my child named in this application if the parents/guardians or emergency contact cannot be contacted. I hereby declare that I am of the full age of 18 years and have read and understand the foregoing and am legally authorized to sign this Consent and Waiver.

Signature of Legal Parent or Legal Guardian

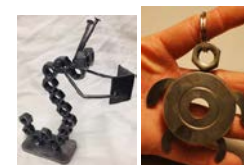

I hereby authorize Hanover School Division to photograph, audio record, video record the Child without charge solely for the purpose of promotional material in connection with 5-5-5 Summer Camp.

☐ Yes ☐ No

The Camp Runs from 9am – 2pm so please be sure to drop your child off and pick them up on time.

Select The Four Careers That You Would Like To Do:

_____ **Welding:** The Welding technology day will focus on 5 areas of welding and fabrication as well as discuss career possibilities, local employment, the link between academic subjects like Math, Science and English and the trades. Here are a few ideas of what the students will have a chance to build and take home as a keep sake.

_____ **Collision Repair:** Welcome to a day in the life of Collision Repair. Learn, see and get a feel for the repair process involved in fixing a vehicle that has been in an accident. This will involve the safe procedures of the tools and techniques involved in dent repair, plastics repair and painting.

_____ **Hairstyling:** Students will learn how to do a variety of braiding techniques and creating cute hairstyles using bobby pins and hot tools such as blow dryers, curling irons and flat irons. We will also be learning about the importance of the color wheel when we are coloring hair. Participants will have an opportunity to color and apply individual hair extensions. Throughout the day we will be discussing what it means to be a hairstylist, the importance of acting and dressing in a professional manner, and our ability to make our clients look good and feel good.

_____ **Culinary Arts:** Students will be creating their own pizza, salad and profiteroles with Manitoba's Chef of the Year, Chris Coombs.

_____ **Carpentry:** Students will be drawing, cutting and assembling wood while learning about the various tools and field-related occupations. Final project to be determined.

_____ **Baking/Decorating:** Enjoy a wonderful fun-filled day of baking and creating amazing food products. Start the day making & decorating cupcakes and finishing off the day creating sugar characters made out of fondant.

_____ **Fashion Illustration & Textiles:** Learn how to draw fashion designs and the basics of sewing. Students will be using a sewing machine and making their own throw pillow while adding special touches such as appliques and trim.

_____ **Electrical:** We will be working on a series circuit continuity tester project, which the students will be able to bring home with them at the end of the day. It will be an interactive day working on a project, beginning with a focused safety lesson and instruction plan. There will also be time for a Q & A session regarding the Electrical industry.

Please note the pictures are for illustrative purposes and may not show an actual representation of the final project
