Complete this form only if you want to Opt-Out/Decline Chromebook Insurance Coverage

What is the Chromebook 1:1 Program?

All students entering Grade 9 will receive a new Chromebook (rugged educational version). Students will have access to their assigned Chromebook through till graduation. Chromebook 1:1 enhances learning by creating a personalized student-centred learning environment that expands learning beyond the classroom.

Will students be required to purchase, or pay for the use of a Chromebook?

No. The Chromebook is an educational resource provided by the Hanover School Division. Similar to textbooks and other instructional materials, HSD will supply Chromebooks to students at no cost.

Who owns the Chromebook?

HSD owns the Chromebook at all times. The device and AC charger are loaned to the student for educational use and must be returned at the end of the school year. Students are fully responsible for device protection and care at all times.

What is Chromebook Insurance?

Chromebook insurance is a non-refundable insurance premium that fully protects against accidental loss/damage or theft of the Chromebook. Student accounts are automatically charged \$20 for Chromebook insurance (recurring annual charge). Insurance coverage allows for a maximum of two claims per school year.

- First Claim - No Charge
- Second Claim - Parent/Guardian Pays \$50 Deductible
- Third Claim - Parent/Guardian Responsible for Full Cost of Device Repairs or Replacement

Hardware defects, or repair issues resulting from normal wear and tear will not require the use of an insurance claim, and will be repaired at no cost to the student. If a student intentionally damages the Chromebook, any resulting insurance claim may be denied. Insurance premiums and deductible terms will be reviewed each school year, and are subject to change.

By signing below, I hereby OPT-OUT/DECLINE insurance coverage for my child's assigned Chromebook. As parent/guardian I assume full risk of device loss, theft, damage in all circumstances, and in such instances agree to pay the lesser of device repairs or device replacement cost (approx. value \$325). I also understand that my choice to opt-out/decline insurance applies only to the current school year. In subsequent school years, I will be required to opt-out/decline again if so desired.
