WELCOME BACK TO SCHOOL

As we begin the new school year, there is much excitement, hope, and opportunity to move the learning forward through relevant, rigorous, and robust teaching and learning. We are conscious of the fact that the pandemic has left an impact in its wake on student learning as well as the mental health and well-being of our students, families, and staff. Hanover School Division wants to assure you of our ongoing commitment to well-being, academics, and Deeper Learning.

HSD continues to collect and analyze student data such as summative assessments, grades, graduation rates, literacy, numeracy, and the recent student well-being survey (Grades 4-12). Data allows us to identify and address gaps in learning and provide appropriate resources through targeted interventions and student-specific plans. Our dedicated and caring staff will aim to provide opportunities for growth and success for every child to be and become caring, connected, and contributing members of society.

On behalf of the Board of Trustees, superintendents, educators, and support staff, we welcome you back with a renewed sense of hope, positivity, and opportunity for a bright future.

Respectfully,

Shelley Amos,
 Superintendent-CEO

BOARD OF TRUSTEES

Public board meetings are held during the school year on the first Tuesday of each month at the HSD Administration Office in Steinbach. Meetings begin at 7:30 pm, and all are welcome to attend. Public consultation on the 2023/24 budget will take place on Feb. 7, 2023.

STUDENT ENGAGEMENT & WELL-BEING

A priority focus of Manitoba's K-12 Action Plan is mental health and well-being, particularly as part of responding to the impacts of the pandemic and identifying actions to remove barriers to participation in learning, including a focus on the effects of poverty on education and student engagement.

In collaboration with the Department of Mental Health and Community Wellness, Manitoba Education is launching the mental health in schools strategy focusing on the 5Ts: TALKING about mental health, TRAINING for teachers, incorporating mental health into TEACHING, TOOLS for students, and TAKING CARE of teachers. Scan the following QR Code to learn more about the K-12 action plan and the provincial Pathway to Mental Health and Community Wellness - A Roadmap for Manitoba.

For more information regarding support services available to students and their families, please email the HSD Student Services Department at ss_officestaff@hsd.ca.

EMERGENCY COMMUNICATION

In a crisis, HSD may need to send critical and urgent communications to parents/caregivers. Please ensure your child's school has an accurate phone number and email address on file to reach you. If applicable, HSD will also post any incident/crisis updates at www.HSD.ca and on Twitter @HanoverSD.

PUBLIC HEALTH INFORMATION

HSD will continue to work closely with Public Health and Manitoba Education to ensure the safety of our students and staff. Visit the provincial COVID-19 Guidance and Planning for Schools web page for up-to-date information. Scan the QR code for a direct link.
