Caregiver Expectations

- When children are participating in remote learning, caregivers play a critical role in ensuring that their children are engaged in their learning by:
- providing supervision & supporting learning
- being present while their children are engaged in remote learning
- supporting engagement in learning experiences
- communicating concerns and/or questions with the teacher
- supporting their children in adhering to online etiquette and policies. Read the MRLSC etiquette here: <https://bit.ly/MRLSCEtiquette>

There is no cost to join any of these programs and it is open to any grade 1 to 8 student residing in Manitoba. If joining Minecraft, there is a cost associated with installing the Minecraft java program on a laptop/computer.

CAREGIVERS CAN PICK UP TO TWO SESSIONS FOR THEIR CHILD. IF MORE THAN TWO SESSIONS ARE CHOSEN, THEN TWO OF THE CHOICES WILL BE RANDOMLY SELECTED FOR THE CHILD.

Once a registration is received, the email address that is listed will receive an invitation for a virtual meeting within MS Teams to join the scheduled sessions. Caregivers will be contacted between January 23 and 27, 2023 with meeting links (MS Teams) and specific information about individual programming. To join, students will need access their own device that is connected to the Internet. It is beneficial if the device has a camera to join meetings.

Sincerely,

Mr. Scott Lockhart
